<u>Disclaimer:</u> My signature on the bottom of this form indicates that I have discussed my petition to take more than 22 up to 25 credits in a single semester with either <u>my faculty advisor</u> (CALS Students) or an academic advisor in the <u>Dyson Office of Student Services</u> (Dyson Students). Below are the courses I will add to exceed the credit limit. *Include permission codes needed to add courses.

I understand that taking more than 22 credits in a single semester is not recommended, even for students who have a history of superior academic performance.					
I acknowledge that it may be necessary to drop one or more courses before the University <u>drop deadline</u> and understand that no special consideration will be given to me regarding dropping courses after the deadline. I agree to review Important Dates and Deadlines on the University Registrar website.
